Not sure on what facial to book? Please read the descriptions on each facial below or ask your esthetician.

Luxury Facials

The TGIF Facial (90 minutes): indulge yourself in this luxurious facial and erase the signs of stress on your skin. Australian, super Dash berries, will brighten, improve, exfoliation, and antioxidant support. The oxygen Rx treatment mask will breathe new life into your skin using controlled oxygen to clear your pores, soothe irritation. Firming, peptides and marshmallow whipped will improve microcirculation, firm and tighten, and hydrate your skin, leaving you rejuvenated and glowing.

Frequency: Facial can be preformed every 28-35 days.

Downtime: No Downtime.

Ideal candidate: Great facial if it has been awhile since your last facial or if you wanted to treat yourself. Great for all skin types, the ultimate, hydrating, tightening, antioxidant support, glowing facial.

The SWICH Dermal Rejuvenation Facial: Circadia's signature treatment is a unique alternative to chemical peels that takes advantage of the skin's natural repair mechanism without causing damage. This treatment imparts an immediate boost to the look and feel of aging skin, reducing sun damage, fine lines and wrinkles, giving your skin the boost it need to slow signs of aging. For ultimate results it's recommended to do 3 to 4 rounds consecutively every month and repeated every year.

Frequency: Facial can be preformed every 28-35 days.

Downtime: No downtime.

Ideal candidate: 40+ years with visible signs of aging, significant sun damage, hyper pigmentation.

Oxygen RX Facial With O2 Derm machine: A controlled amount of oxygen paired with the O2 Derm machine with LED to give your skin a total reset. It works by controlling the bacteria count, breaking down sebum deep into the follicle/pore, shrinking pores, and adjusting the visible vascularity on the skin. For ultimate results it's recommended to get 4 rounds of this treatment every 7 to 14 days apart consecutively for clients with more compromised skin conditions such as acne and rosacea.

Frequency: Facial can be preformed every week if needed.

Downtime: No downtime, client should leave with glowing rejuvenated skin.

Ideal candidate: This treatment is good to all skin types/concerns. This treatment is best for clients with rosacea, acne, telangiectasia.

The Oxygen Glass Facial with LED: this facial will give you deep hydration and exfoliation with back bar products fit for your specific skin type. This facial is paired with derma planing to give you a smooth glowing finish.

Frequency: Facial can be preformed every 28-35 days.

Downtime: No downtime.

Ideal candidate: Great for any skin type. Perfect treatment if you are dealing with dry and congested skin.

Chocolate Peppermint Patty Facial With LED/Dermaplaning: this facial will give you deep exfoliation. It is paired with beautiful aroma backbar products to improve the overall skin health and balance. Finishing with a luxury hydrating marshmallow and snow Algae mask, accompanied by cooling globe massage, leaving the skin, flawless, hydrated, and glowing. High touch facial, lymphatic drainage, relaxing.

Frequency: Facial can be preformed every 28-35 days.

Downtime: No downtime.

Ideal candidate: Great for all skin types.

Beyond Botox Facial (90 minutes): This firming and tightening mask combined some of the latest technology in peptides, antioxidants and dermal regeneration science, resulting in micro circulation, detoxification and instant firming, lifting, and tightening.

Frequency: Facial can be preformed every 28-35 days.

Downtime: No downtime.

Ideal Candidate: Great for all skin types, made for anti-aging and detoxifying the skin so it's great for acne clients as well.
